We have received the Epistle from New England Yearly
 Meeting, also the Epistle to children of our own Yearly Meeting

Proposition

The following communication is received from our last Quarterly
 Meeting, namely: To Our Monthly Meeting.

Dear Friends

At our last Quarterly Meeting of Friends held at
 North Ferrisburgh, N. H. we are convinced to raise for
 the use of the Yearly Meeting the coming year 100 dollars.
 Our monthly meeting quota is \$10.00 of which we
 intended to be paid to David H. Chamberlain our Treasurer.

These monthly meetings are appointed to appoint
 committees to visit in visiting the members, and to
 have a camp on our Mission field on Mount Lebanon, Syria.

By a minute of the last Yearly Meeting we are informed
 that the meeting shall have been known as meetings of
 the Yearly Meeting and having with it be constituted as
 a single mentioned under the designation of Meetings in
 Ministry and Oversight. Recorded Ministers and appointed
 Elders are Members of such meetings.

There should also be appointed in each Monthly Meeting, one or two persons as Deacons - who may be considered able to prove helpful and to be themselves helped by association more with.

It being important that these meetings should consist, as far as practicable, of individuals of varied ages, gifts and qualifications, care should be taken in making appointments in such a manner as not to limit the selection to friends in later life; there being appointed, as usual, a young man, a young woman, a middle-aged man, and a middle-aged woman, of sound judgment and of attachment to the principles we profess. The names of those so to be appointed are to be forwarded as in the case of the appointment of Elders, and the list to be revised at least once in two years.

They shall be in all respects members of the Meeting in Ministry and Oversight, but they are not to be considered as already having liberty to bear in Ministries. This appointment does not prevent them from being recognized as Ministers or Elders, if at any time their gifts may seem so manifest when prosecuting.

It is recommended that our Monthly Meetings give early attention to these appointments as contemplated by this minute of the Yearly Meeting.

From the Minutes of the Meeting aforesaid.

Witness B. H. Avery - Clerk.

The same minutes are to be read at the next meeting.

Having accomplished our present business we conclude. Purposing to meet in Dover at the appointed time next month if the Lord permit.

Witness S. West - Clerk.
